Sub: - Report of celebration of World Environment Day (5 Jun 2023)

Madam,

In the aegis of IQAC and Environment & Energy Club of our college on the occasion of "World Environment Day" (5<sup>th</sup> June 2023), National Level webinar was organised on the topic "**Non-conventional Green Energy uses-facts & figures in the Indian Scenario**". The guest speaker was Dr. Subrata Roy, Asst. Prof. of St. Xavier's College, Jalpaiguri West Bengal. Nearly 52 students and teachers participated in this webinar.

In the context of Energy Transition Working Group (ETWG) of G20, a national webinar was organised to highlight the issues of nonconventional energy resources, its availability in India and advantages & disadvantages.

The guest speaker Dr. Subrata Roy explain the priority areas reflecting India's focus on energy transition from conventional to non-conventional. This has built global cooperation towards sustainable & clean energy development. Locating sites of clean energy program within India he explained the tapping of maximum resources and generating clean energy in specific area. He concluded with give live example of villages developed on solar energy in Rajasthan of India, Seoul-a solar city in South Korea. PM KUSUM scheme which is future plan Of India's govt. for better tomorrow.

**Objective** – 1] Highlighting the issues of G 20 earth summit on the Theme of "The World is One family. 2] To create awareness to conserve energy for sustainability 3] To understand use and misuse of nonconventional energy resources.

**Expected Outcome:** - Create sensible citizens for energy conservation.

This is for your information.

Thank you

Yours faithfully,

Asst. Prof Mrs. Jayanthi Vaikunth.
