Subject: Report of Save Electricity Project

Sir

As a part of Environment protection and conservation project, IQAC and NSS Unit of our College undertook Save Electricity Project from November 2018 to January 2019. The objective of the project was to spread awareness in the community regarding electricity consumption and conservation techniques. 100 students participated and visited 1200 houses, undertook survey on their electricity consumption, informed the members about electricity conservation techniques, prepared report of their electricity consumption and submitted the findings in the NSS room. Total of 1345 units of electricity were saved by the efforts of our students and the respondents. The report of the project is attached herewith.

Thank you

Yours faithfully

Pushkar Deshpande
