Subject: Report of Save Electricity Project

Sir

As a part of Environment protection and conservation project, IQAC and NSS Unit of our College undertook Save Electricity Project from 1 August 2017 to 15 March 2018. The objective of the project was to spread awareness in the community regarding electricity consumption and conservation techniques. 40 students participated and visited atleast 2 houses, undertook survey on their electricity consumption, informed the members about electricity conservation techniques, prepared report of their electricity consumption and submitted the findings in the NSS room. The report of the project is attached herewith. Total 627 houses visited.

Thank you

Yours faithfully

Pushkar Deshpande
