Tying 'Rakhi' to the plants- to develop the sense of binding together with nature and securing it. Involvement of class 4 and security guards, students & teachers. 15 March 2022 VrukshBandhan On the occasion of "Global Awareness about consumer rights and needs".

IQAC, NSS and Commerce Dept. has organized this activity to highlight that we all are consumers, but we are not aware that our birth right is to consume fresh air and get unpolluted water and food. This is only possible by protecting our mother earth by planting more and more trees and doing conservation of them. Vrukshbandhan activity has brought young consumers to take an oath to tie themselves to the surrounding plants. The outcome of this activity is to highlight the issue of breathing fresh air through natural source of oxygen is Natural vegetation- remain close to nature, don't destroy it
