Purpose of Use:

Your testimonial and photograph will be used in our annual report, and brochures to highlight the impact of our programs and initiatives.

Testimonial:

Shruti, a dedicated student from Manjunatha College in Dombivli, is pursuing a Bachelor's in Banking and Insurance (BBI) while navigating significant financial challenges. Her father's modest income from a shop supports their family of five, compelling Shruti to take on part-time jobs at Yes Bank and Axis Bank to help with household expenses. Balancing work with her academic responsibilities became increasingly difficult in her final year, leading her to make the tough decision to focus solely on her education. Despite these challenges, Shruti's strong work ethic and active participation in college events highlighted her commitment and confidence.

Shruti underwent training with TNS India Foundation to enhance her career prospects, which refined her skills and clarified her career aspirations in HR. This training was instrumental in her securing a position as a Trainee IT HR Executive at BN Digi Tech, with an INR 144,000 CTC package. This new role aligns perfectly with her career goals in HR and marks a significant step forward in her professional journey. Shruti's story of resilience and determination is an inspiring example of balancing education, family responsibilities, and career ambitions. As she begins this new chapter, her unwavering dedication is set to drive her success in the HR field.
