Subject:- report of Doctor's Day celebration.

Madam,

On the occasion of World Doctor's Day IQCA and NSS unit and Health Council cell along with Rotary Club uptown- Dombivli has organized blood donation camp.

The program was inaugurated by Chief Guest Dr. V. M. Shetty (well-known orthopedic surgeon of Kalyan- Dombivli region) he highlighted the hard efforts always taken by doctor's to save the life of their patients, but if any patient requires blood during operation or even to increase hemoglobin percentage of body then Doctor's cannot able to save the life of patients which is possible only with the support of common man who donate his valuable blood. On this occasion President Karnataka sangha has address the audience regarding the importance of blood donation for noble cause. On this occasion 38 blood bottles were collected

Aim of such activity is to highlight importance of blood in human body which is irreplaceable by any other liquids.
