She has recently completed 16 years of her journey in the same field. In this regard as an alumni of our college she has discussed how she opted for journalism after her graduation from our college.

She has shared her experience of interviewing politicians, people from the film industry and also covering the college events etc. She also shared her various work experiences with our students i.e. working in the electronic media as correspondence as well as working editorial skills in Marathi language, she hosted an event with Zee Marathi with Collaboration with CREDAI-MCHI for "Housing for All" Summit with Mr. Denvendra Fadnavis Ji.

In the last she had made an appeal to all the girls students to take up journalism as a good career option which even gives the dignity to women and develop the confidence in yourself.

The program ended with a vote of thanks.

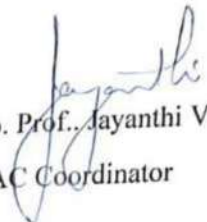

Objectives of the event is to encourage our alumni to show maximum involvement in college activities.

Madam

On the occasion of "Rajmata Jijabai Bhosale Jayanthi" IQAC and WDC has organised a discussion session on the topic, Family relation – before and after Covid. The discussion session was headed by Ms. Usha Majithia, Social worker in Dombivli. There were 136 students participated in this event.

Objectives of the event:

3. To discuss new avenues for income earning to youths and housewives.

Usha Majithia madam has given live examples of families in the community, how they have tackled the situations when there were no jobs, half salary given to a measure earning person in the family. This has given rise to 45 entrepreneur work group in her own building complex. The generation of such groups were needed to give a training of purchase of raw material to production as well as marketing the final products.

Such things not only generated the profit but also helped in supporting the families of such small entrepreneurs she has given the examples of one of the Farsaan mart owner who could not able to get good education but now he is successful entrepreneur with 4 shops and 3 flats on his name. This indicates the dedication and continuous attempt to show excellence which gives success. She added that never give up your goals after any failure.
