Subject: Letter of Appreciation

On behalf of Ward No 46, I am writing this letter to express sincere gratitude for the social activities organized by the college in Thakurli. Your efforts had a positive impact not only on the students but also on the community as a whole.

We were particularly impressed by the community service activities organized by the college such as Cleanliness Drive, Rallies on Social Issues, Streetplays, Tree Plantation, Health Checkup camps, Blood Donation Camps, Ganpati Nirmalya Collection Project, Traffic Management, Covid Vaccination, Extending support to the KDMC School No. 70 for their academic and intellectual development and many other students and community development programmes from the year 1999 to 2022-2023.

These activities have not only provided the students with an opportunity to give back to the community but have also helped raise awareness about important social issues.

We want to express our gratitude to the college administration, the faculty, and the students who volunteered their time and effort in organizing these activities. Your hard work and dedication have truly made a difference in the lives of the people in the community.

The collaboration between us has allowed us to work together towards a common goal of making a positive impact on society. We look forward for similar collaboration in future initiatives.

Thank you
