

7.3 Institutional Distinctiveness-

Our college, guided by the motto "SAA VIDHYA YA VIMUKTE," aims to create a Centre of Excellence by Training and Empowering Young Minds. We focus on connecting students to the social world, instilling a sense of belonging and responsibility toward society.

Being Silver Jubilee year of the college, more emphasis was not only on Skill Development programmes but also programmes that sensitize them towards their social and environmental responsibility.

Various Skill Development Programmes like Hands-on training through Add-on Courses, Workshops and Seminars, Peer-to-peer learning, Career Counselling & Career Fair (Career Mantra) and Placement Drives were organised.

Students were involved in blood donation camps, health check-up drives, plus polio distributions drives to keep them connected to the community. Activities like Voter's Awareness Campaign, New Voter's Registration programme and Rally in the vicinity for creating importance of voting enabled to inculcate a sense of social and citizenship responsibility.

Tree Plantation programme, Nirmalya Collection during Ganapati festivals, Cleanliness drives in the vicinity, enlightenment on non-conventional energy-the potential of India, Campaign against Plastics & E-waste, Nature Trail to Maharashtra Biodiversity Park at Sion, Mumbai created a sense of environmental consciousness.
