Sub: - Report on celebration of Anti-Drug Addiction Day (26th June, 2023)

Dear Madam,

In the wings of IQAC, NSS and Commerce Association of our college on the occasion of "Anti-Drug Addiction Day" (26th June, 2023), seminar was organised on the topic "Say YES to Life, NO to Drugs". The speaker was Asst. Prof, Nisha Deodhar. She discussed about causes and consequences and how to overcome from drug addiction. In this seminar, even students took part for discussion. Youths are consuming drugs like heroine, alcohol, sleep and anti-anxiety medication and other legal substances. Youths get addicted to illegally obtained narcotic pain medications or opioids. To overcome out from it, youth must take part in creative activities and engage themselves in various career options as well as without any hesitation to discuss their own problems with their peers, parents and if necessary consult the psychologist.

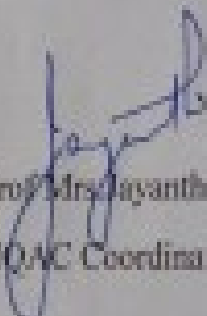

Objective - 1] To raise awareness about drug abuse and to combat the spread of drugs on and off campus. 2] To educate and enable India's youth to reject illicit drugs 3] To spear head the planning and implementation and monitoring of all local anti drug abuse programme, projects and activities.

Expected Outcome: - Create drug free citizens.

This is for your information.

Thank you.

Yours faithfully,

Asst Prof Mrs Jayanthi Vaikunth.
